An Oklahoma editor made the following announcement in the columns of his paper: "Yesterday we were married. It will be remembered that both our former wives eloped with the foreman of our office. To avoid any further inconvenience of this kind we have this time married a lady who is herself a compositor and she will set type while we hustle for the ducks who are keeping their goods on the shelf because they do not advertise."

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Briceland, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle and felt better after the first dose. Before one-half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best." For sale by Druggists.

Should Get in Line.

The Territories have no voice in the election of a president, says the Denver Republican, but it would be well for them to put themselves in line with sound policy on public questions. This ought not to have any effect upon their chances of admission as states, but if the silver cause triumphs this year it will be easier to secure the admittance of Arizona and the other Territories if they have planted themselves squarely upon a platform in favor of the unrestricted coinage of silver and gold at a ratio of 16 to 1.

There is some sentiment in favor of McKinley in probably all the Territories, but it is not a natural sentiment considering the geographical position of these communities and the true interests of their inhabitants.

Closing out an overstock of steel and wire nails and Corrugated Roofing, No. 8d 10d, 20d, 40d and 60d steel and wire nails, per keg, \$4.25; No. 27 Corrugated roofing, painted, 7 and 8 feet lengths, \$3.65 per square. The above prices are delivered at Fairbank A. T. FREE. Terms cash. Address Geo. B. Marsh, Nogales, A. T. 327

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

Wanted—An agent in every section to canvass vast, \$4 to \$5 a day making; sells at sight—also a man to sell staple goods to dealers, besides line, \$75 a month. Salary or large commission made; experience unnecessary. For sealed particulars send stamp. Clifton Soap & Manufacturing Company, Cincinnati, Ohio.

Heavy Electric Storms With Some Fatalities

HEAT AND SUNSTROKES.

Bryan Greeted at Philadelphia

—Bland Visits McKinley.

—Rains in the East.

THE FAIR WILL CONTEST.

General Happenings Throughout the Country.

DETROIT, Mich.—Very heavy electric storms prevailed over Michigan early yesterday morning. Many buildings were struck by lightning. At Lansing the storm was terrific but the damage is not great.

SAGINAW, Mich.—Lightning and wind caused \$100,000 of damage to this city and vicinity early this morning. Jefferson Avenue M. E. church was struck by lightning and damaged \$5,000. Fifty other buildings and factories were unroofed or badly wrecked. Hundreds of trees were blown down and wires were prostrated.

STERLING, Kas.—On Saturday the mercury was 100 in the shade and yesterday 102. Corn will not make over half a crop. Whole fields look as if a fire had passed through it.

FORT SCOTT, Kas.—Vegetables and fruit are withering from the extreme heat. At noon it was 102 in the shade.

St. Louis, Mo.—The death in this city due to the heat since August 1st number 85. Two-thirds of the fatalities have been among those addicted to drink.

GRAND JUNCTION, Col.—Senator Henry M. Teller arrived in this city yesterday. When asked what truth was in the report started by Senator Thurston that Bryan was employed by a silver syndicate, he said: "Thurston knows better than that. He had no business to assert such a falsehood. I feel like calling him down myself but I understand it will be done by Bryan in a proper speech."

SAN FRANCISCO.—The taking of the deposition of Mrs. Nettie Craven was resumed today. She told how she has consulted Governor Bodd and had told him of the existence of the pencil will. The governor told her if she did not produce the will he would send her to the penitentiary.

CANTON, O.—Among the distinguished callers who visited Major McKinley today were the Hon. R. P. and Mrs. Bland. They came here with the committee from Pittsburg, which made the trip from the iron city to meet Bryan's party here. The time spent at the McKinley home was apparently very agreeable to both the honored called and to Major and Mrs. McKinley.

PITTSBURG, Pa.—The Bryan meet-

ing in this city has proven a fitting capstone of the day's triumphs. It has excited the amazement of the people of Pittsburg, and the joy it has afforded Mr. Bryan and the redoubtable "Silver Dick" has manifested itself in their beaming features since they struck the city limits. When the train arrived it was surrounded by acres and acres of frantic people. When Mr. and Mrs. Bryan and Mr. and Mrs. Bland entered their carriages the relentless throng closed around them and seemed to bear them along with it.

Among the numerous persons who have been cured of rheumatism by Chamberlain's Pain Balm, mention should be made of Mrs. Emily Thorne, of Toledo, Wash., who says: "I have never been able to procure any medicine that would relieve me of rheumatism like Chamberlain's Pain Balm. I have also used it for lame back with great success. It is the best liniment I have ever used, and I take pleasure in recommending it to my friends." For sale by Druggists
